

Position for Intermediate Architect, Toronto

BORTOLOTTO Architecture and Interior Design, located in downtown Toronto is currently seeking an individual who is passionate and committed to architecture and design excellence. For more information about the firm please visit our website at www.bortolotto.com.

We are seeking an Intermediate Architect to join our team in the design and contract administration of various government and educational sector projects starting immediately.

We offer health benefits, sick days, paid days off between Christmas and New Years, a bright open office environment and a friendly office dog. We meet weekly, have professional development "lunch and learn" meetings and yearly staff reviews.

We are looking for a candidate that has:

- 5+ years of relevant experience in an architectural practice.
- Excellent English written and verbal communication skills.
- Thorough knowledge and understanding of building systems and technology.
- Expertise in contract document production and construction detailing.
- Thorough knowledge of the Ontario Building Code is essential.
- Proficient in Revit.

Please e-mail your resume to jobs@bortolotto.com.

If you have previously submitted an application please re-submit it.

We thank all applicants for their interest but only those selected for an interview will be contacted.
